

SPORTING REGULATIONS

For the purpose of these Sporting Regulations, the concept of "Amateur Riders" means both Gentlemen Riders and Lady Riders.

1. General provisions

Travelling

Each National Amateur Club shall be responsible for the travelling costs of its own Amateur Rider who is invited to compete in a Fegentri race.

Race conditions

The general conditions contained in these Sporting Regulations shall be applied by the National Amateur Clubs who shall request their respective local racing authorities to equally apply these in order to have unified rules in all countries.

Each of the races for the World Championships shall be chosen from among the most important races for Amateur Riders in each country. The prize money allocated to these races varies in accordance with each country's financial means. However, the National Clubs shall use their best efforts to increase the prize money allocated to these races.

All flat races, which are part of the Fegentri World Championships shall bear the title: Longines Championnat du Monde de la Fegentri / Longines World Fegentri Championship.

All jump races which are part of the Fegentri World Championship shall bear the title: Fegentri World Jump Championship

All races which are part of the Fegentri World Cup of Nations shall bear the title: Epreuve Officielle de la Coupe des Nations de la Fegentri / Official Race of the Fegentri World Cup of Nations.

Invitations

Invitations are issued through the Secretary General at least three weeks prior to any given race.

Amateur Rider licensed in each country by their local racing authorities and delegated by their National Amateur Clubs are eligible to take part in Fegentri races.

In order to be allowed to participate in a Fegentri race, Amateur Riders must have ridden at least five winners either on the flat or over jumps including Point-to-Points. They must be members of their own National Amateur Club which in turn must be a member of Fegentri.

In order to be allowed to participate in a race of the Fegentri World Jump Championship, Amateur Riders must have ridden at least three winners either on the flat or over jumps including Point-to-Points. They must be members of their own National Amateur Club which in turn must be a member of Fegentri.

There will be no allowances for any rider in Fegentri races or races run under Fegentri rules. Amateur Riders must abide by the rules of racing of the countries where they ride.

2. Qualifications applicable to Gentlemen Riders and Lady Riders and point system

Valid races

In order to qualify as a Fegentri race, at starter declaration, a race must comprise nominated representatives of at least three countries whose National Clubs are full members of Fegentri.

In races comprising nominated representatives of only two National Amateur Clubs after starter declaration, foreign Amateur Riders shall qualify for points but local Amateur Riders shall not.

Allocation of points

At the beginning of each calendar year, each National Amateur Club must select its representatives for the World Championships; these will be 18 years old to participate.

A National Club can be represented by a maximum of four riders being one Gentleman rider for flat and one for jumping and one Lady rider for flat and one for jumping. A rider can be nominated to ride both flat and jumping.

Changes during any given calendar year will only be allowed with the consent of the Board and for valid reasons. In case of a change of representatives during a calendar year, the points of the first representative will not be allocated to his/her replacement and the new representative will start with nil point.

No points shall be allocated to Amateur Riders participating in a race who do not qualify for participating in a World Championship race.

Likewise, their participation shall not be taken into account regarding qualification of the race as far as number of participants and numbers of countries are concerned.

Qualified Amateur Riders are allocated points according to the place where they finished.

National Amateur Clubs must choose their representatives from among the Amateur Riders holding a valid license issued by the racing authority of the country of the National Club regardless of the nationality of the Amateur Rider.

3. The Championships and Prizes

The Gentlemen Riders and Lady Riders compete in three different Championships.

- Longines World Fegentri Gentlemen Riders Championship
- Longines World Fegentri Lady Riders Championship
- Fegentri World Jump Championship

In all championships there will be three prizes.

- Eperon d'Or Fegentri World Champion
- Eperon de Vermeil II. Place
- Eperon Bronze III. Place

4. Rankings

In order to obtain a ranking in the Fegentri World Championship in each category (flat or over jumps), each Amateur Rider shall have participated in races in the same category in at least three (flat) or two (over jumps) different countries including his/her country of origin.

If at the end of the World Championship Programme two or more Amateur Riders in a Championship category share the same amount of points the winner shall be the one who (in this order)

- has had the most winners
- has had the most second places
- has had the most third places, and so on
