ABOUT FEGENTRI

Organisation

FEGENTRI stands for Fédération Internationale des Gentlemen-Riders et des Cavalières (International Federation of Gentlemen and Lady Riders) and was founded in 1955 by a handful of enthusiastic amateur riders. The founding member countries were France, Germany, Italy, Sweden and Switzerland. Many nations have joined FEGENTRI since then and today the membership consists of 24 different countries.

International Activities of FEGENTRI

The main purpose of FEGENTRI is to promote international races for amateur riders.

FEGENTRI organises two World Championships, one confined to gentlemen riders and the other to lady riders, comprising approximately 50 races in different countries around the world. FEGENTRI organizes as well a Championship over jumps for Lady riders and Gentlemen riders.

Competitors in LONGINES FEGENTRI World Championships

The best amateur riders of each member country of FEGENTRI qualify to participate in the WORLD CHAMPIONSHIPS and they all feel honoured and privileged to represent their respective countries. They are all “amateurs” and therefore do not receive any fee for riding in races. Amateur riders competing in FEGENTRI World Championship races come from varied backgrounds and have a full time profession. Among competitors one may find bankers, students, policemen and even a vicar! They are all united by a common passion for horseracing.

Members of FEGENTRI

All the member countries of FEGENTRI have their own active association which is responsible for promoting and co-ordinating races and safeguarding the interests of their amateur riders both at home and abroad. The officials of each amateur riders' association represent their nation at the Annual General Assembly of FEGENTRI which is hosted by a different country each year and throughout the season they maintain a close link with the headquarters of FEGENTRI. Associate Members do not have their own amateur club but can organize Fegentri races which count towards the World Championship.

FEGENTRI, SUCH A 'UNIQUE' LIFE EXPERIENCE

The Longines Fegentri teams ever before. The riders competed with an underlying attitude of strove for excellence throughout backgrounds, came together as a other and sharing the ups and downs of competition.

made this year more special than fiercely on the track but always friendship and respect. They the year and despite their different group, learning much from each

Visiting so many countries helped them get a better understanding of different cultures. Competing removed barriers as they found themselves equal on the track, the sporting rules applied to all alike.

These championships offer Fegentri riders an excellent means of pursuing their search of perfection and improving their knowledge and their riding. It is an experience for life. That is what makes our championships so 'unique'.

This year the 58 races of the 3 championships, were organised in 16 different countries. The outcome of the two Longines World Fegentri championships remained uncertain until the very last races.

Lara Le Geay from France won the championship by winning the final race in Mauritius. Hana Jurankova from Austria is vice-champion, only 3 points from the winner. Third came Josephine. Her goal was to win a second time the Longines World Fegentri championship. Even if she did not win the Championship, she certainly made history by winning the very first amateur Lady riders race in Brazil.

The Longines World Championship for Gentlemen Riders was won by the Spanish rider Ignacio Melgarejo Loring, he took the lead of the championship from the 3rd race. He missed 3 races due to an injury and despite this, won the championship. Guilain Bertrand from France took the second place, showing a very strong commitment throughout the year. And Vinzenz Schiergen from Germany was third and can be proud to have won 4 memorable races.

Fegentri is looking forward to a bright future thanks to the important work done by the Board members and the Secretary General. Our values are demanding but are more than ever an inspiration for everyone.

Finally on behalf of the Board, I would like to express my thanks to all the countries who organized Fegentri races in 2016. I would like also to express my deepest thanks to Longines for its strong commitment in supporting Fegentri.

---	--

Ignacio took the lead of the Championship from the 3rd race, but only scored his first win at the end of July. He was 'Mr consistent' throughout the season (only 3 times out of the first 4) until he injured himself seriously and had to miss 3 races at the end of the season. It was a very exciting competition to the end, as the order might well have changed in the last races !

Ignacio had the difficult task of succeeding to Gonzalo Pineda Carmena, the 2015 Champion. He managed that very well, bringing the trophy home to Spain for the second consecutive year. In 2016 once again the World Champion Gentleman-rider lived the FEGENTRI motto : He is a spirited rider, takes risks, is a true friend and behaves with elegance in all circumstances. Congratulations Ignacio !

Guilain showed commitment to the very end of this year as French nominated rider for FEGENTRI. Very competitive, he gave each one of his rides all he had, even when the odds were totally against him and behaved as a team player.

When he scored in Hamburg and Oman he won decisively and managed to keep a fighting spirit when the draw was not so good. Consistently in the frame, Guilain deserves his Vermeil spur !

--	---

Vinzenz won on 4 memorable occasions : both of the Italian races in the Longines world Fegentri championship for Gentlemen-riders, the prestigious Prix Georges Courtois in Deauville and finally the thoroughbred race in Doha.

He was unlucky in 2015, riding only 3 races before he was out due to injury, so it was only natural that he should ride this season with great determination, finishing a strong 3rd in the rankings. Germany's hopes are high as he embarks on a quest for the crown in 2017. Welcome back Vinzenz.

Longines World Fegetri
Championship for Lady Riders

Winner of the Golden Spur
FLAT

For World Champion Lara Le Geay, 2016 is a year to remember in more ways than one. The ups and downs of competition made her work very hard for the title. She secured it only at the very end of the Championship riding her 6th winner in the final race in Mauritius ; a race full of emotions in an unforgettable atmosphere.

Lara Le Geay with the French flag

Lara Le Geay cantering to the start in Ostende

From the beginning, Lara Le Geay declared her dream was to ride in the USA ; not only did she get that opportunity, she scored 100%, winning 2 races from 2 starts. So that dream certainly came true !

Her exuberance took a hit, when her horses were scratched on 3 occasions, but she learnt that every race counts and gave her all on every other occasion. Her race riding ability enabled her to ride winners in Germany, Switzerland, Belgium, the US and Mauritius with an excellent success rate of over 28%.

Hana Jurankova was a very close second in this championship, only 3 points away from the winner, Lara Le Geay. In fact she was leading by 9 points going into the final race even though both riders had 5 winners.

Her good sportsmanship prevailed, when despite the disappointment, Hana was able to rejoice for Lara, showing all the qualities that are expected of a Fegentri rider.

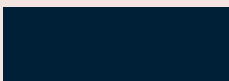

Hana won the very first race of the season in Doha and never looked back, winning 4 other races in the USA, Hungary, Sweden and at home in Vienna. She battled fiercely and made her country Austria very proud !

EQUESTRIAN SPORTS, A PASSION SHARED BY LONGINES AND THE AMATEURS OF THE FEGENTRI

Strongly committed to equestrian sports, Longines has always admired and supported athletes' and personalities' strong devotion and recognized contribution to these sports, including youngsters and amateurs who share the same passion as the watchmaker.

Therefore, the brand is really proud to be the Official Partner and Watch of the International Federation of Gentlemen and Lady Riders (FEGENTRI). It also lends its name to the rankings for riders taking part in the championships: the Longines World FEGENTRI Championship Rankings for Lady Riders and the Longines FEGENTRI Championship Rankings for Gentlemen Riders.

Every year, Longines participates to the Longines World FEGENTRI Championships prize ceremony held at the FEGENTRI Annual General Meeting and has the great honor to award the top three winners of, respectively, the Longines World FEGENTRI Championship for Lady Riders and the Longines World FEGENTRI Championship for Gentlemen Riders. The World Champions are also invited to visit the headquarters and the museum of the Swiss watchmaker in Saint-Imier, which is always a pleasant shared moment, particularly appreciated by the Champions who can contemplate the Longines World FEGENTRI Championship Trophy with their name engraved exposed in the museum.

While the amateurs are competing all around the world from February to December, Longines is always delighted to reward the winner of the Prix de la Reine Marie-Amélie Longines during one of June's most awaited horseraces, the Prix de Diane Longines, at the wonderful domain of Chantilly.

Along with this horserace and many others, the watch brand is associated as Official Partner, Timekeeper and Watch with international institutions and events in the disciplines of show jumping, eventing, endurance, driving and horseracing. The brand's passion for equestrian sports dates back to more than a century and is reflected in the common values it shares with them, such as Elegance, Performance and Tradition.

FWCN FEGENTRI WORLD CUP OF NATIONS 2016

Every year 5 nations (France, Norway, Germany, Italy, USA) compete for the World Cup in the FWCN organised by the Club des Gentlemen-riders et Cavaliers de France.

Unlike the Longines World Fegentri Championships or th Fegentri World Jump Championship, the Fegentri World Cup of Nations is not an individual Championship, but a team competition ; the Cup being awarded to the country of the winning team.

With 4 wins out of the 9 races, the French team marked a decisive victory with 65 points over Norway, ranking second with 42 points. Germany came third with 33 points, Italy a close fourth with 30 points and the USA a game fifth.

In 2016, the FWCN was again a wonderful opportunity for many gentlemen- and Lady-riders from the 5 participants, to travel and get experience on the international circuit. Jean-Philippe Boisgontier from France will remember Oslo, winning both FWCN races of the day ! Dina Heggum won in the USA, but also had 3 places this year and Michelle Blumenauer marked a memorable victory in St-Cloud with 2 places in the USA.
