## ABOUT FEGENTRI

### Organisation

FEGENTRI stands for Fédération Internationale des Gentlemen-Riders et des Cavalières (International Federation of Gentlemen and Lady Riders) and was founded in 1955 by a handful of enthusiastic amateur riders. The founding member countries were France, Germany, Italy, Sweden and Switzerland. Many nations have joined FEGENTRI since then and today the membership consists of 24 different countries.

### International Activities of FEGENTRI

The main purpose of FEGENTRI is to promote international races for amateur riders.

FEGENTRI organises two World Championships, one confined to gentlemen riders and the other to lady riders, comprising approximately 50 races in different countries around the world. FEGENTRI organizes as well a Championship over jumps for Lady riders and Gentlemen riders.

### Competitors in LONGINES FEGENTRI World Championships

The best amateur riders of each member country of FEGENTRI qualify to participate in the WORLD CHAMPIONSHIPS and they all feel honoured and privileged to represent their respective countries. They are all “amateurs” and therefore do not receive any fee for riding in races. Amateur riders competing in FEGENTRI World Championship races come from varied backgrounds and have a full time profession. Among competitors one may find bankers, students, policemen and even a vicar! They are all united by a common passion for horseracing.

### Members of FEGENTRI

All the member countries of FEGENTRI have their own active association which is responsible for promoting and co-ordinating races and safeguarding the interests of their amateur riders both at home and abroad. The officials of each amateur riders' association represent their nation at the Annual General Assembly of FEGENTRI which is hosted by a different country each year and throughout the season they maintain a close link with the headquarters of FEGENTRI. Associate Members do not have their own amateur club but can organize Fegentri races which count towards the World Championship.

## FEAGENTRI, “A GLORIOUS PAST, AND A BRIGHT FUTURE!”

Amateur riding is the historic root of horse racing, and for more than six decades, the FEAGENTRI has been promoting its noble values of courage, friendship, elegance and sportive excellency around the world.

In 2017, our Gentlemen and Lady-Riders brilliantly rose to the challenge set by their predecessors, and offered a unique competition show in more than sixteen countries.

They also enjoyed discovering different cultures, extraordinary sight-seeing, they got the chance connect to the international racing industry, and they grew up as true Ladies and Gentlemen.

Last but not least, they made friends for life. I could not be happier and prouder of those unique opportunities the Fegentri is offering to these young and talented riders: this is our mission, this is our most rewarding accomplishment.

Sara, Mélissa, Nora, Bethany, Larissa, Celina, Elisabetta, Tereza, Elin, Duygu, Fatma, Polett, Thomas, Pablo, Elliot, Vinzenz, Jindrich, Eric, Andrea, I would like to congratulate you all for your implication, your courage and joyful spirits!

I also would like to thank the Longines Team, especially Vice-President of Longines Juan Carlos Capelli, who shares our values and supports our action.

“Elegance is an attitude”, and the Fegentri could not dream of a better inspiration. Nothing could have been possible without the commitment of our members and friends: thank you all for hosting the Fegentri races, and for welcoming our riders with all your warmth and professionalism.

This 2017 World Amateur Championship will remain a unique one for me, as it is my first year as the President; my thoughts also go to Nathalie Bélinguier for her tremendous work during the past 10 years, and for Manuela Tournier whoes dedication was extremely valuable.

I started this page by underlining that Amateurism is the root of horseracing sport. I care to end it by also saying that it also contributes to its future, by providing to the industry passionate trainers, owners, professional jockeys, to name a few.

Long live Fegentri, my dear friends, I am very much looking forward to the many years to come together!

Elie Hennau  
 President of Fegentri

## GENERAL ASSEMBLY 2017 IN GHENT

**Following the 2016 Annual General Meeting in Cologne, the FEGENTRI members were all invited to Ghent, by the Belgian Club for the 2017 General Assembly.**

Last year's Fegentri General Assembly was held in the beautiful medieval city of Ghent, Belgium. The weekend started with warm welcoming words from the Belgian president, Diane Kervijn d'Oud Mooreghem, and the guests were then treated with a nice and friendly dinner at the hotel close to the river crossing the city. The General Assembly was held on Saturday morning and elected a new Board and President. All members enjoyed a rainy city trip on the afternoon before joining the Nokere Castle. Both Baron Philippe Casier- President of the Belgian Jockey-Club and President of the famous Waregem race course- and his wife hosted 150 guests for an unforgettable dinner and evening.

**Which was your favourite experience during this year?**

My favourite experience this year was probably the first race in St Moritz (Switzerland). Everything was so different and amazing: the city, the landscape, and the track on a frozen lake!

Also, it was the first time I met the other Fegentri riders; they became directly my mates. We had some much fun!

**How does it feel to be the World Champion?**

It is like a dream. Just to get to ride the Fegentri was already a dream but to win it... I don't have words to describe this feeling. Just amazing! I just want to thank every horse, trainer, owner, and all the amateur clubs...

**How do you feel about this experience now that is nearly over?**

I just want to say to the future Fegentri riders: "Enjoy this experience! It is an intense and fantastic year!"

**Would you recommend this experience to your riding mates? Why?**

Sure! We get to travel a lot, we ride racehorses. What else could you want?

Winners Ceremony after Thomas Guineheux (Fr) wins on Mex in Hamburg, Germany

**Is there a horse you will never forget? An owner/trainer/ national club member? Why?**

My horse in Ostende, Belgium. I won the race for Niels Lantsoght and Kevin Sans (the trainer and owner), and I will never forget their smile and happiness after the race. He was a young and very kind trainer.

And again, I would like to thank each member of the national clubs: their organisation was top, and each country was interesting to discover.

**What was your secret to be so successful all along?**

I don't know if there is a secret... I always carefully observed the track before the race... I tried to see where I had to go and how to do it.

After that, it is just a question of feeling, and it depends a lot on the horse, too!

**Will you remain involved in the racing business in the years to come?**

My weight could become a problem in the future so I will remain an amateur rider. And I hope to develop my breeding activity. I love breeding!

<p><b>PABLO LABORDE</b> (SPAIN)</p>  	<p>Longines World Fegentri Championship for Gentlemen Riders</p> <p><b>Winner of the Vermeil Spur</b> <b>FLAT</b></p>

We had to hold our breath until the very last race to know which Gentleman will bring the title back home.

Although Pablo was unlucky to finish second, he both demonstrated his riding excellency, and maybe even more importantly an admirable fair play attitude. His good spirit and impeccable behaviour made him an unforgettable Fegentri rider. Pablo is aiming for the position of President of the Spanish Club someday, and we feel confident that he will succeed. Such a talent, such a gentleman! This is what Fegentri is truly about. Dear Pablo, we fee extremely proud of you!

<p><b>ELLIOT ÖHGREN</b> (SWEDEN)</p>  	<p>Longines World Fegentri Championship for Gentlemen Riders</p> <p><b>Winner of the Bronze Spur</b> <b>FLAT</b></p>

An elegant rider who believed in his capacities until the very end, Elliot was rewarded for his tenacity when he marked a decisive victory during the final race in Doha, Qatar.

He therefore not only secured the third step of the 2017 Fegentri Flat Championship podium, but also managed to win three jump races in Sweden in the same time. Fegentri is looking forward to welcome him the Fegentri World Jump Championship 2018. Congratulations and good luck to him!

<p><b>SARA VERMEERSCH</b> (BELGIUM)</p>  	<p>Longines World Fegentri Championship for Lady Riders</p> <p><b>Winner of the Golden Spur</b> <b>FLAT</b></p>

**Which was your favourite experience during this year?**

It is so difficult to choose one favorite experience because I loved every moment of this adventure! If I really have to choose I can say that the trip to USA was unforgettable because it was my childhood dream to ride just like in the movie ‘Seabiscuit’!

Also, we were able to ride four races in four days on four different racetracks. Then you feel like a real jockey! I also loved the people who took care of us: so welcoming!

**How does it feel to be the World Champion?**

It still feels very unreal but I am very proud of it! My only goal at the start of the Fegentri-season was to win one single race. And then, being part of this amazing event gave me more confidence... Winning the title of World Champion now gives me wings!

I want to thank all the horses and their connections because I only accomplished a small part off the puzzle.

**How do you feel about this experience now that is nearly over?**

I’m so sad that all of this is almost over. Fegentri brought me to places I would never have been and I met a lot of people I would never have had the chance to talk to.

Fegentri also taught me how to act like a real lady and that will help me for the rest of my life!

Sara Vermeersch on La Max Chiaquita wins the Pr. Larc Fegentri Maiden Cup in Valparaiso, Chile

Winner Sara Vermeersch and Nora Hagelund Holm in Istanbul, Turkey

**Is there a horse you will never forget? An owner/trainer/ national club member?**

The first horse is 'LA MAS CHIQUITA', the mare I rode in Chile. She was my first Fegentri-winner and it was also her first win. I got to ride her bareback in the morning and that is something I will never forget!

I also loved 'OHNE TADEL' from Germany. I rode him twice. He was such a big and strong horse and always gave me the best: a first and second place!

The national club member that I will never forget is Don Yovanovich. Just because I liked him a lot!

**What was your secret to be so successful all along?**

People back home who supported me as much as they could. Without them it would never been possible to ride the Fegentri.

**Will you remain involved in the racing business in the years to come?**

I'm thinking about becoming a professional jockey even if it is a tough world. One thing is sure: I will never stop riding horses!

Mélissa did compete intensively, and spared to efforts to secure this second place. With four wins in Rome, Oslo, Laurel Park, Mannheim and Pisa, she was already in a good position before the Finals in Mauritius. Her fourth place in Champ de Mars granted her the Vermeil Spur. Good job, Mélissa!

Every year, Longines participates to the Longines World FEGENTRI Championships prize ceremony held at the FEGENTRI Annual General Meeting and has the great honor to award the top three winners of, respectively, the Longines World FEGENTRI Championship for Lady Riders and the Longines World FEGENTRI Championship for Gentlemen Riders. The World Champions are also invited to visit the headquarters and the museum of the Swiss watchmaker in Saint-Imier, which is always a pleasant shared moment, particularly appreciated by the Champions who can contemplate the Longines World FEGENTRI Championship Trophy with their name engraved exposed in the museum.

While the amateurs are competing all around the world from February to December, Longines is always delighted to reward the winner of the Prix de la Reine Marie-Amélie Longines during one of June's most awaited horseraces, the Prix de Diane Longines, at the wonderful domain of Chantilly.

Along with this horserace and many others, the watch brand is associated as Official Partner, Timekeeper and Watch with international institutions and events in the disciplines of show jumping, eventing, endurance, driving and horseracing. ## FWCN FEGENTRI WORLD CUP OF NATIONS 2017

Every year 5 nations (France, Norway, Germany, Italy, USA) compete for the World Cup in the FWCN organised by the Club des Gentlemen-riders et Cavalières de France.

Unlike the Longines World Fegentri Championships or th Fegentri World Jump Championship, the Fegentri World Cup of Nations is not an individual Championship, but a team competition ; the Cup being awarded to the country of the winning team.

Mark Timpelan (Ger) on Brickyard Kitten wins in Parx Racing, USA

Second the previous year, Norway secured the victory in 2017, with a total of 30 points. Norwegian rider Thea Hofossæter especially made the difference by winning two races out of six, in Oslo and Laurel Park (USA). Nora Hagelund Holm, who also got the Vermeil Spur in the Longines Fegentri Flat World Championship for Lady-riders, brought another four points to Norway for the last race of the competition in Berlin Hoppegarten.

USA riders showed a harmonious regularity during the whole season, and were rewarded with the second place. American riders Erika Taylor and Mark Galligan performances are notably to be underlined, and largely contributed to this good result. Germany completed the podium by scoring 17 points. German rider Marc Timpelan was impeccable in USA, where he both won the Parx Racing race, and finished fourth in Laurel Park.

France and Italy can both be proud of their efforts and courage. They respectively finished fourth and fifth in the ranking.
