## ABOUT FEGENTRI

### Organisation

FEGENTRI stands for Fédération Internationale des Gentlemen-Riders et des Cavalières (International Federation of Gentlemen and Lady Riders) and was founded in 1955 by a handful of enthusiastic amateur riders. The founding member countries were France, Germany, Italy, Sweden and Switzerland. Many nations have joined FEGENTRI since then and today the membership consists of 24 different countries.

### International Activities of FEGENTRI

The main purpose of FEGENTRI is to promote international races for amateur riders.

FEGENTRI organises two World Championships, one confined to gentlemen riders and the other to lady riders, comprising approximately 50 races in different countries around the world. FEGENTRI organizes as well a Championship over jumps for Lady riders and Gentlemen riders.

### Competitors in LONGINES FEGENTRI World Championships

The best amateur riders of each member country of FEGENTRI qualify to participate in the WORLD CHAMPIONSHIPS and they all feel honoured and privileged to represent their respective countries. They are all “amateurs” and therefore do not receive any fee for riding in races. Amateur riders competing in FEGENTRI World Championship races come from varied backgrounds and have a full time profession. Among competitors one may find bankers, students, policemen and even a vicar! They are all united by a common passion for horseracing.

### Members of FEGENTRI

All the member countries of FEGENTRI have their own active association which is responsible for promoting and co-ordinating races and safeguarding the interests of their amateur riders both at home and abroad. The officials of each amateur riders' association represent their nation at the Annual General Assembly of FEGENTRI which is hosted by a different country each year and throughout the season they maintain a close link with the headquarters of FEGENTRI. Associate Members do not have their own amateur club but can organize Fegentri races which count towards the World Championship.

Dear Friends,

Another year of racing, travelling  
 end, and I hope you enjoyed it as

and friendships has come to an  
 much as I did.

I strongly believe that Amateurism is a real source of oxygen for the racing industry, thanks to our riders' dynamism, passion and courage. Congratulations to them all, Lilli-Marie, Naomi, Alice, Ingrid, Bethany, Virginia-Maria-Anna, Tereza, Jessica, Virginia, Willa, Duygu and Fatma, Alberto, Kévin, Elliot, Milán, Guillaume, Gonzalo, Domenico, Patrick, Mark, Matthew (GR flat) and Michal, Raymond, Noel!

In 2018, we had set different goals to ourselves, and I am very pleased with our accomplishments. We welcomed back sleeping members in the Fegentri family, supported initiatives such as pony-racing and former Fegentri riders races under our patronage and initiated new relations with emerging racing nations. Last but not least, the creation of the Amateur Rider Champions Cup, will allow the best riders of each nation to compete in top level international racing: it also aims to stimulate new vocations through this mirror of excellency.

Our Partner Longines made us the honour to renew its valuable support for another five years, and I would like to warmly thank the Vice-President Juan-Carlos Capelli for his trust.

I also would like to thank our Vice-Presidents Paul von Schubert and Gérard de Chevigny, our Board Members Christian von Ballmoos, Franco Castelfranchi, Don Yovanovich and Hans Engblom for their work and dedication.

The world is in perpetual evolution, it is important to be ready to adapt to those changes by being able to innovate and prepare our future. We will keep on extending the missions of the Fegentri and be the international reference for the development and promotion of Amateur races all around the world.

I wish you all a wonderful racing season!

**Elie Hennau**  
 President of Fegentri

## GENERAL ASSEMBLY 2018 IN PISA

**The 63<sup>rd</sup> General Assembly of the Fegentri took place in Pisa, known worldwide for its leaning tower. Fegentri members enjoyed both culinary and historical delights of Tuscany on this occasion.**

The week-end started with a visit of the Tenuta San Guido Estate, where the guests were treated with a degustation of the Sassicaia wine. They discovered the Razza Dormello-Olgiata thoroughbred studfarm, home of famous Ribot, winner of the Prix de l'Arc de Triomphe, the King George VI and the Queen Elizabeth Stakes. The Award Ceremony and Gala dinner was held in the prestigious Tenuta Camugliano and its magical medieval atmosphere. The week-end ended with a racing day with both Gentlemen riders and Lady riders first races of the season 2018.

**ALBERTO  
BERTON**  
(ITALY)

Longines World Fegentri Championship  
for Gentlemen Riders

**Winner of the Golden Spur**  
**FLAT**

Five years after his compatriot Jessica Marcialis, Alberto is sacred World Champion and brings the title back to Italy.

He demonstrated both his riding talent and easy-going temper during the whole season: he succeeded three times in Madrid, Düsseldorf and Penn National (USA) and scored 147 points in total.

His great performance also allows him to participate to the Amateur Riders Champions Cup 2019, for which we wish him the best of luck! Well done Alberto!

Alberto Berton winning in Düsseldorf, Germany

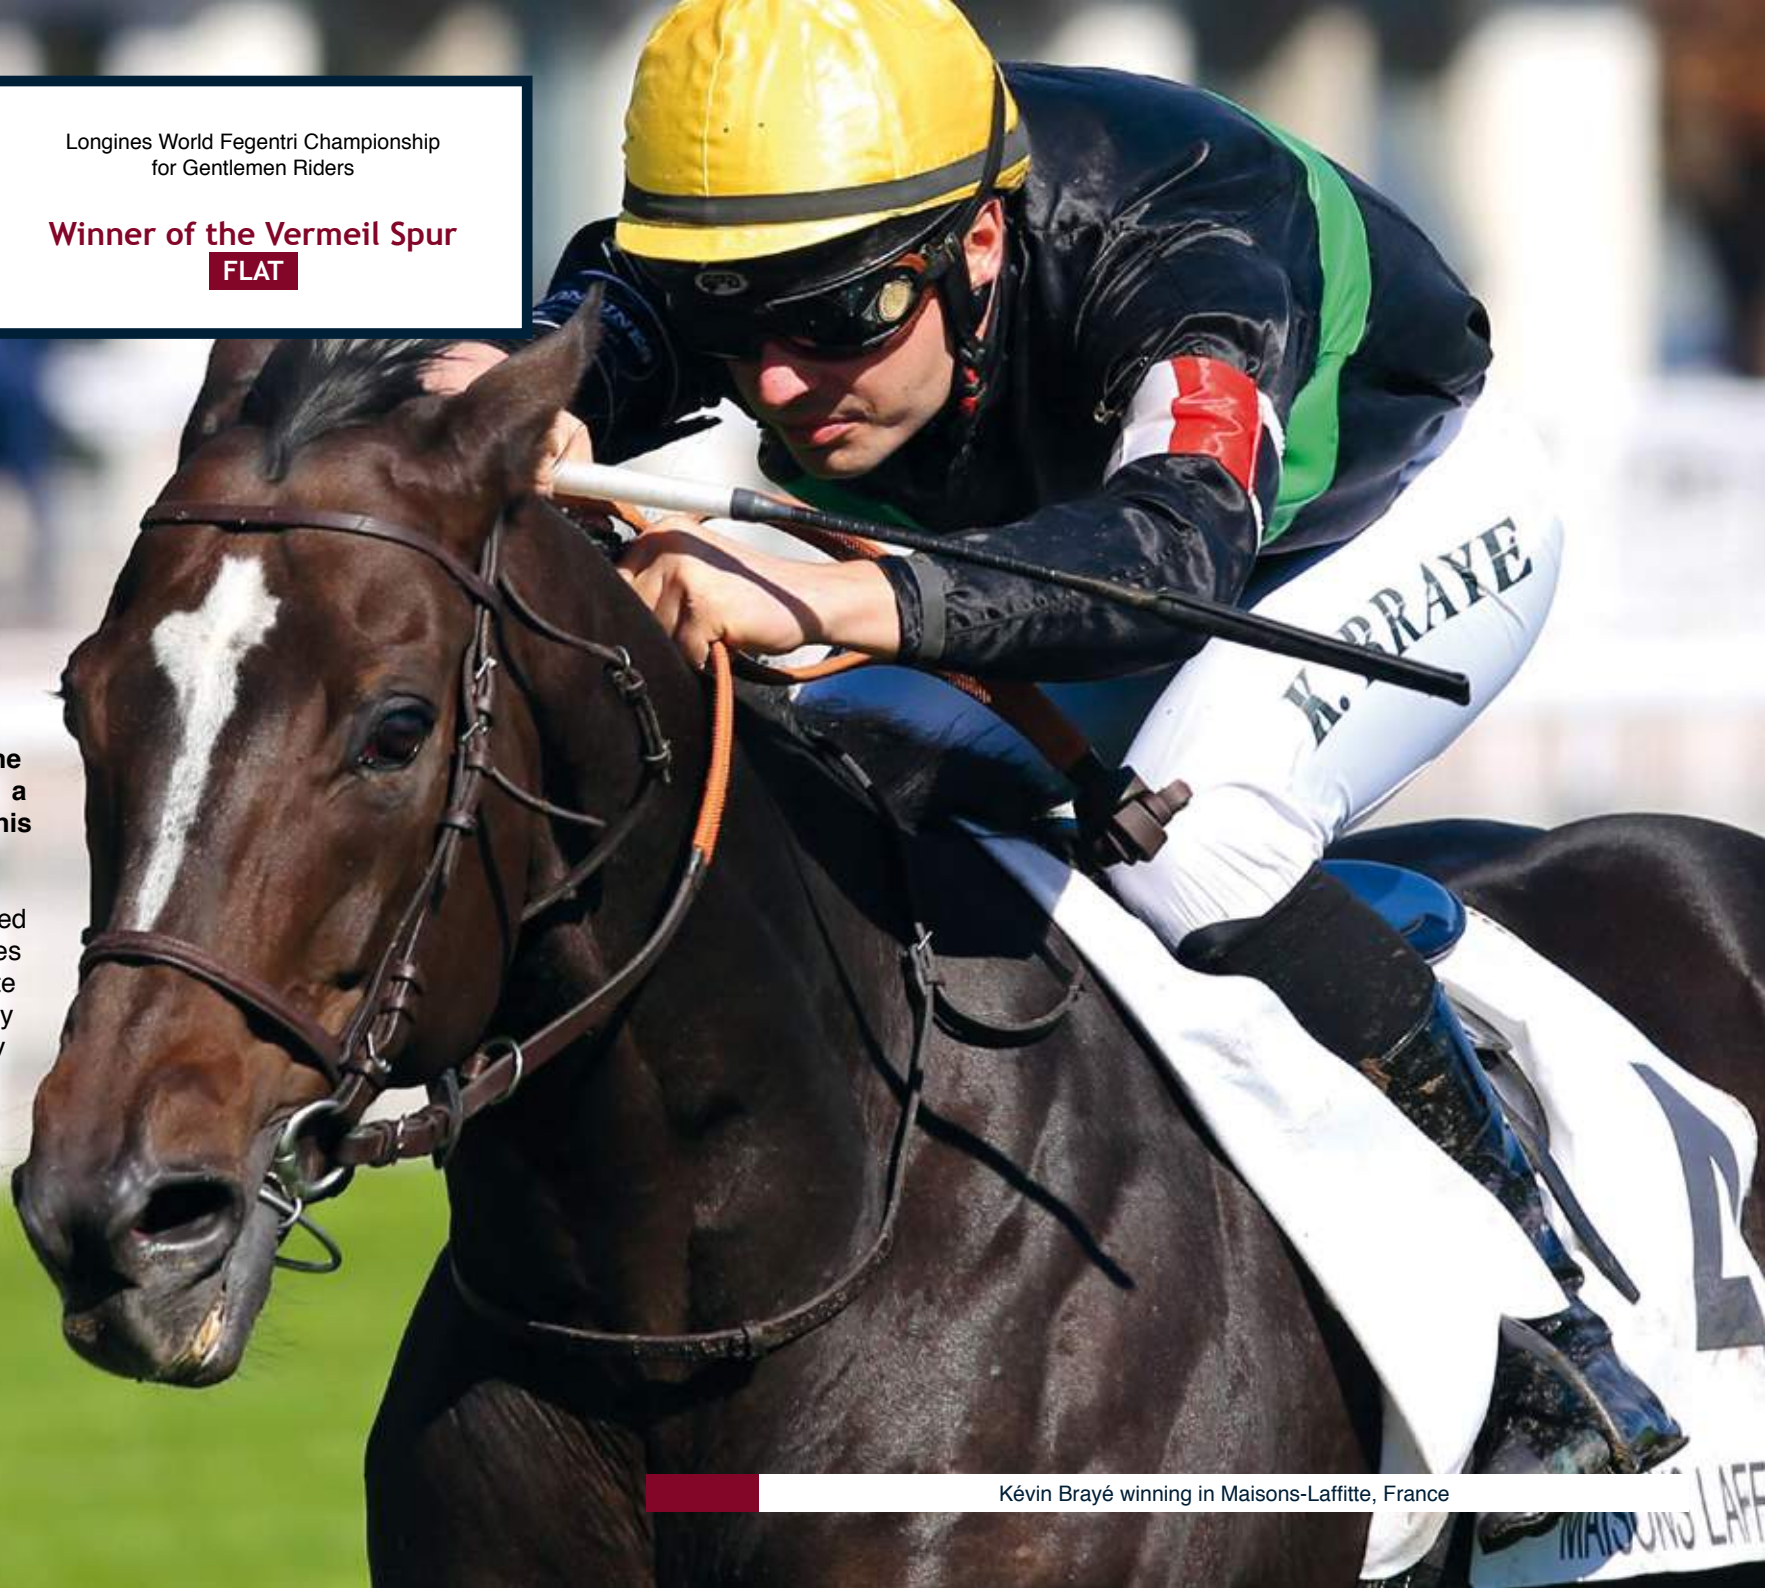

KÉVIN  
BRAYÉ  
(FRANCE)

Longines World Equestrian Championship  
for Gentlemen Riders

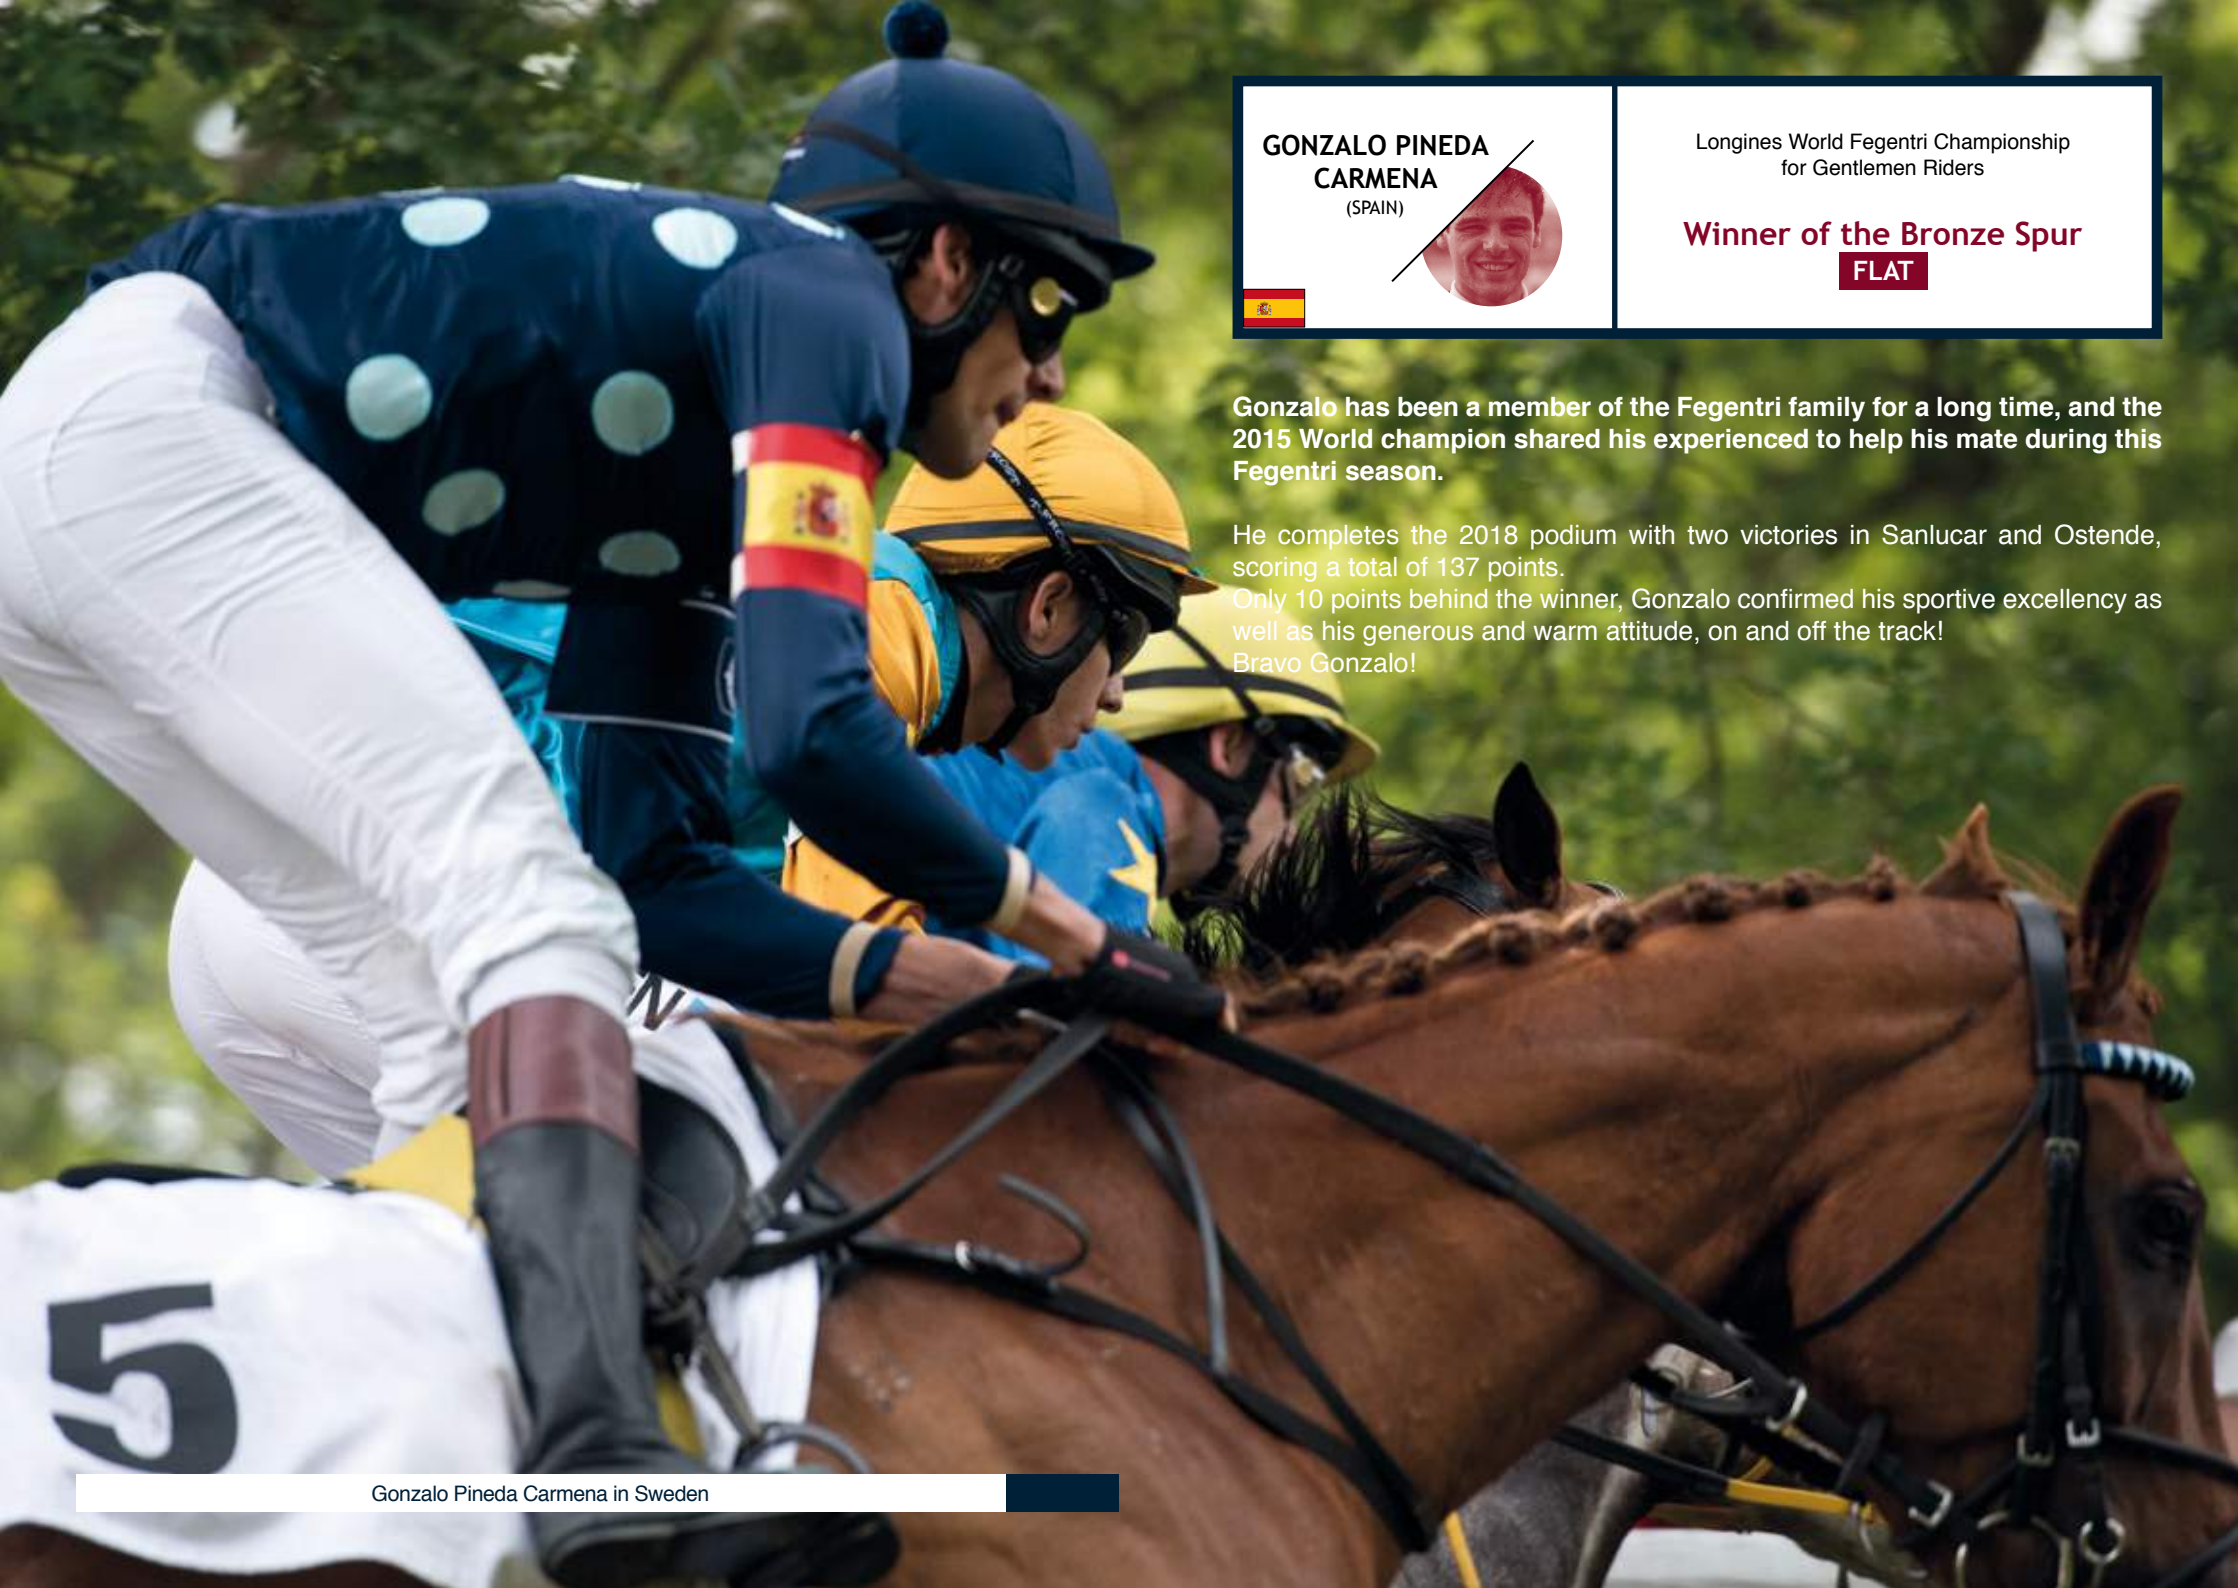

Winner of the Vermeil Spur  
FLAT

Only five points behind the leader, Kévin accomplished a great performance in this championship.

The east of France based gentleman-rider won three races in Strömsholm, Maisons-Laffitte and Mannheim, where he is already well known and obviously highly popular.

Talented and discreet, Kévin secured the silver spur with a total of 142 points, and can be proud of his achievement. Nice work Kévin!

**GONZALO PINEDA  
CARMENA**  
(SPAIN)

Longines World Fegentri Championship  
for Gentlemen Riders

**Winner of the Bronze Spur**

**FLAT**

Gonzalo has been a member of the Fegentri family for a long time, and the 2015 World champion shared his experienced to help his mate during this Fegentri season.

He completes the 2018 podium with two victories in Sanlucar and Ostende, scoring a total of 137 points.

Only 10 points behind the winner, Gonzalo confirmed his sportive excellency as well as his generous and warm attitude, on and off the track!  
Bravo Gonzalo!

LILLI-MARIE  
ENGELS  
(GERMANY)

Longines World Fegentri  
Championship for Lady Riders

Winner of the Golden Spur  
**FLAT**

She was the youngest of our ladies this year, but obviously talent does not wait the number of years.

At only eighteen years old, Lilli-Marie mastered this 2018 edition with brio. She succeeded five times in USA, Sweden, Germany and Turkey, and created a neat gap long before the final in Mauritius. She brings the World title back to Germany where she is planning to turn professional: a carrier which she is without any doubt gifted for. Well done Lilli-Marie!

Lilli-Marie Engels winning in Istanbul, Turkey

**NAOMI  
HELLER**  
(SWITZERLAND)

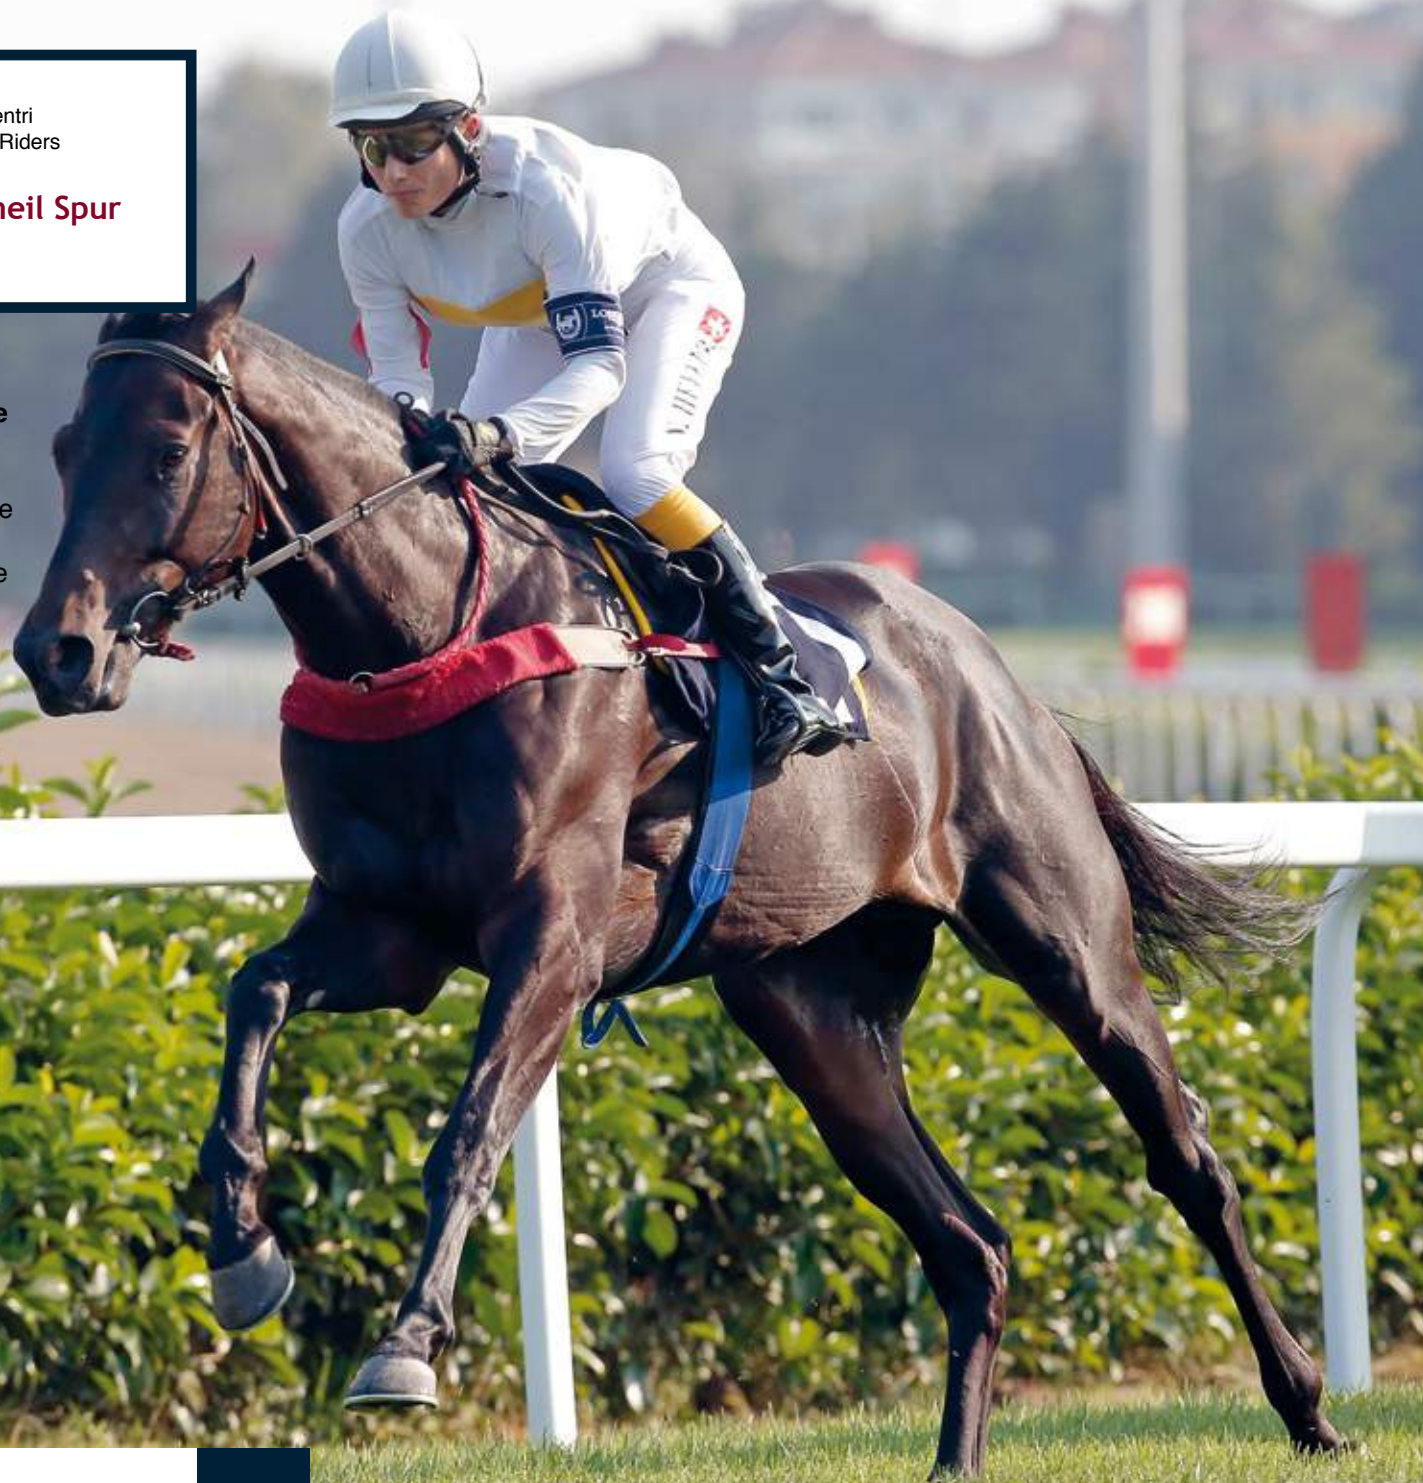

Longines World Fegentri  
Championship for Lady Riders

**Winner of the Vermeil Spur**

**FLAT**

**Naomi was the first to open the score when she won the inaugural race of the 2018 season in Doha.**

Unlucky to injure herself quite early in the season, she therefore missed several steps of the championship. But her courage and tenacity were then rewarded with three more winners in Karlovy Vary, Istanbul and Mannheim. Naomi deserved her Silver Spur and will represent Switzerland again next year: there is no doubt that she will stand as a serious contender for the title 2019. Congratulations and good luck Naomi!

Naomi Heller winning in Istanbul, Turkey

**ALICE  
BERTIAUX**  
(BELGIUM)

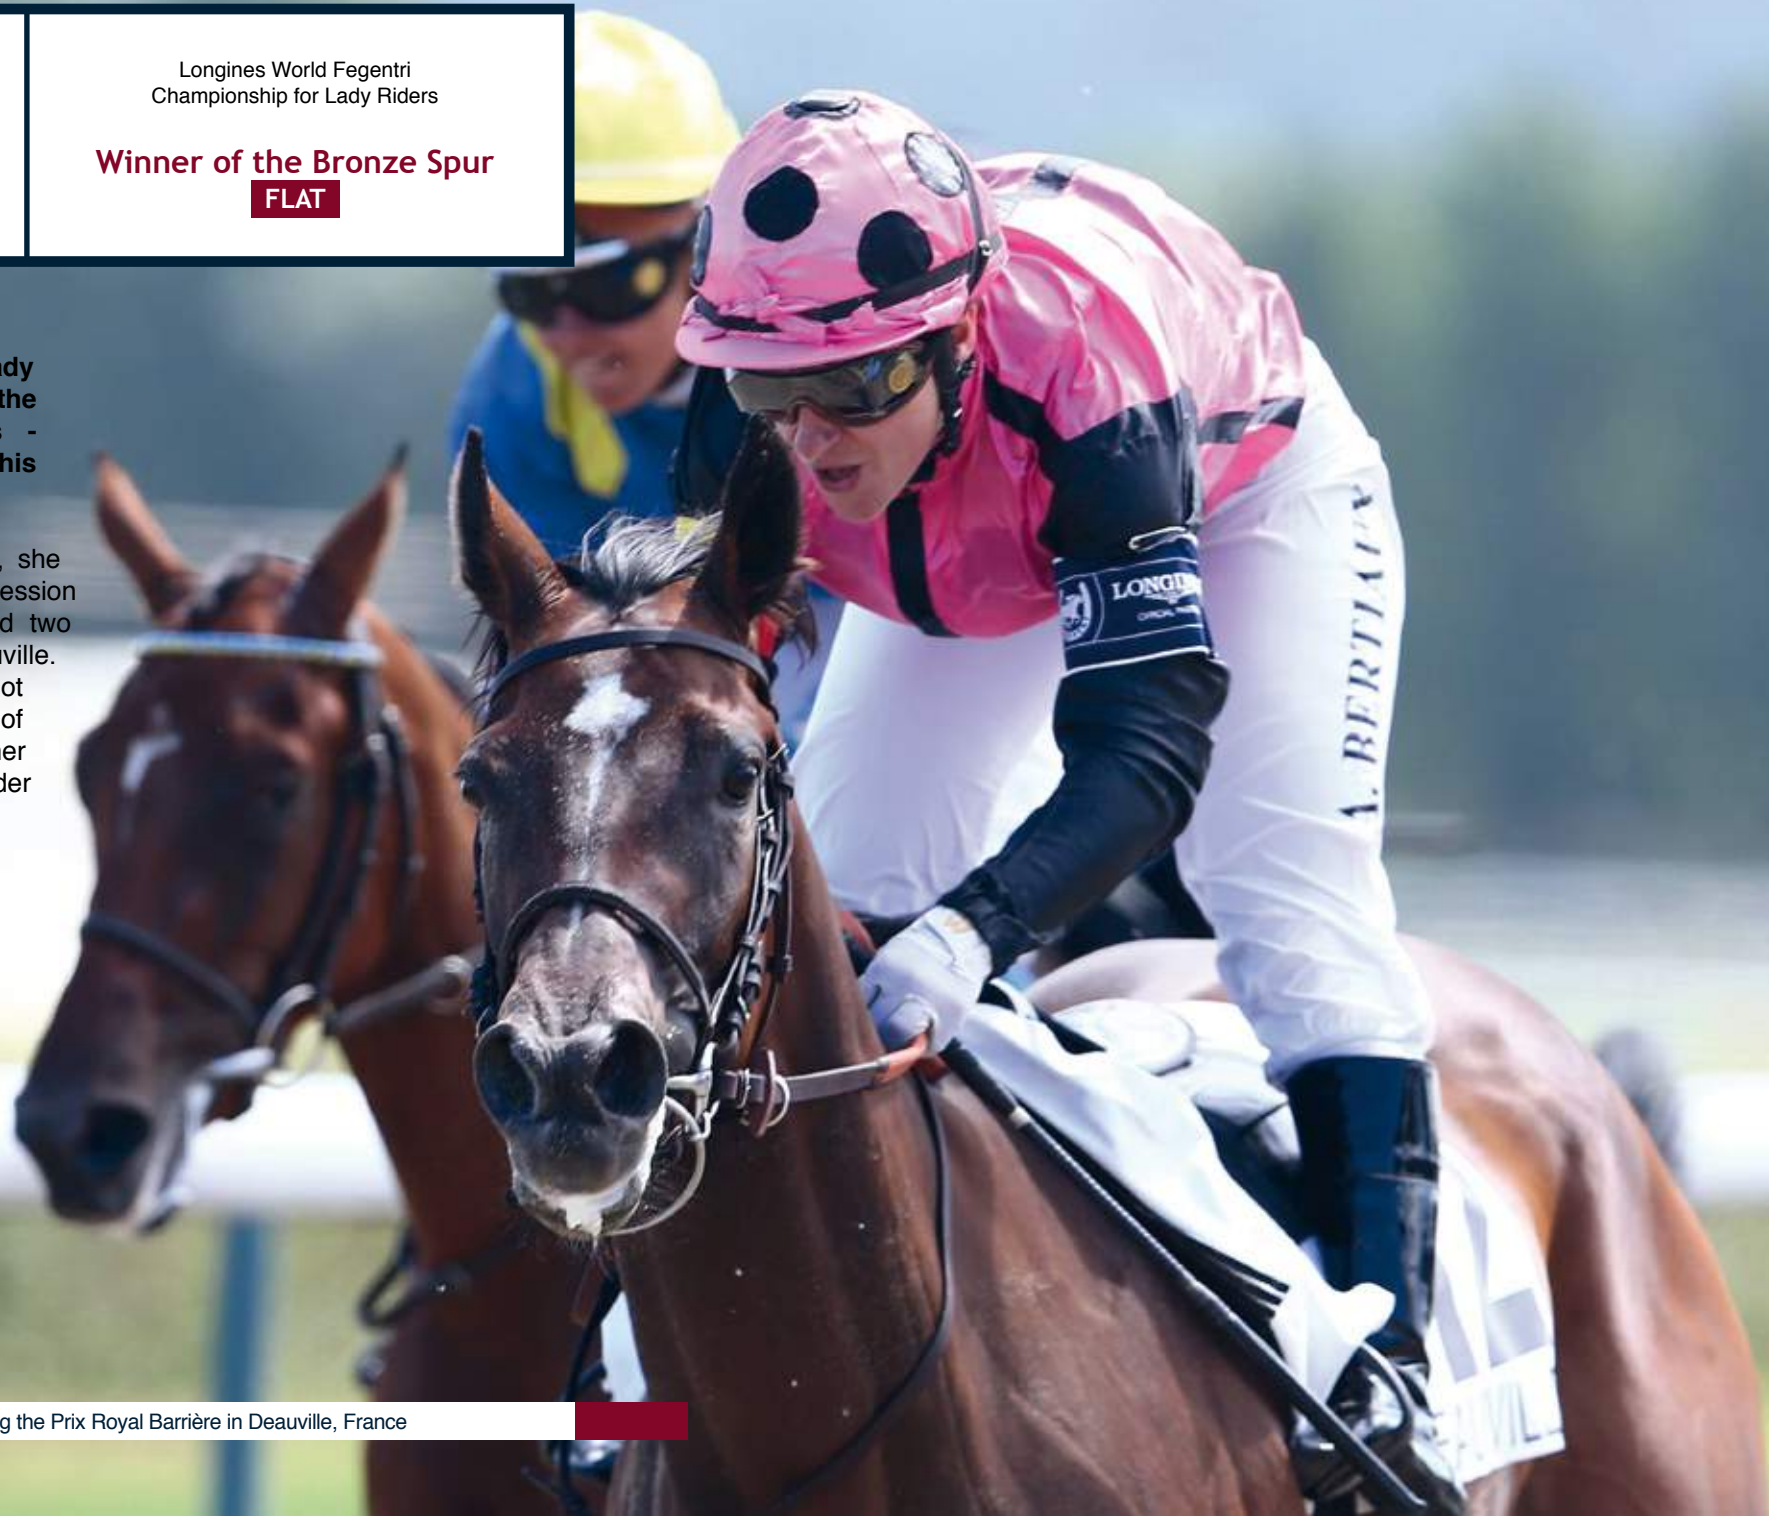

Longines World Fegentri  
Championship for Lady Riders

**Winner of the Bronze Spur**  
**FLAT**

The Belgium nominated lady rider - a familiar name on the Fegentri racing programs - takes the third position of this championship.

After a first winner in Rome, she particularly made an impression in France, where she signed two victories in Chantilly and Deauville. Her experience and talent not only put her on the third step of the podium, but also secured her nomination in the Amateur Rider Champions Cup 2019. We wish her the best of luck!

EQUESTRIAN SPORTS, A PASSION SHARED BY LONGINES  
AND THE AMATEURS OF THE FEGENTRI

**Strongly committed to equestrian sports, Longines has always admired and supported athletes' and personalities' strong devotion and recognized contribution to these sports, including youngsters and amateurs who share the same passion as the watchmaker.**

Therefore, the brand is really proud to be the Official Partner and Watch of the International Federation of Gentlemen and Lady Riders (FEGENTRI). It also lends its name to the rankings for riders taking part in the championships: the Longines World FEGENTRI Championship Rankings for Lady Riders and the Longines FEGENTRI Championship Rankings for Gentlemen Riders.

Every year, Longines participates to the Longines World FEGENTRI Championships prize ceremony held at the FEGENTRI Annual General Meeting and has the great honor to award the top three winners of, respectively, the Longines World FEGENTRI Championship for Lady Riders and the Longines World FEGENTRI Championship for Gentlemen Riders. The World Champions are also invited to visit the headquarters and the museum of the Swiss watchmaker in Saint-Imier, which is always a pleasant shared moment, particularly appreciated by the Champions who can contemplate the Longines World FEGENTRI Championship Trophy with their name engraved exposed in the museum.

While the amateurs are competing all around the world from February to December, Longines is always delighted to reward the winner of the Prix de la Reine Marie-Amélie Longines during one of June's most awaited horseraces, the Prix de Diane Longines, at the wonderful domain of Chantilly.

Along with this horserace and many others, the watch brand is associated as Official Partner, Timekeeper and Watch with international institutions and events in the disciplines of show jumping, eventing, endurance, driving and horseracing. The brand's passion for equestrian sports dates back to more than a century and is reflected in the common values it shares with them, such as Elegance, Performance and Tradition.

## FWCN FEGENTRI WORLD CUP OF NATIONS 2018

Italy, Germany, Norway, France and USA yearly compete for the World Cup of Nations organised by the Club des Gentlemen-Riders et des Cavalières de France.

Unlike the Longines World Fegentri Championships or the Fegentri Jump Championship, the Fegentri World Cup of Nations is not an individual championship but a team competition, the Cup being awarded to the country of the winning team. Gentlemen- and Lady-Riders compete together, and proudly wear silks representing their respective countries' flags.

In third position last year, Germany secured the victory in 2018 while showing an impressive record: German riders scored in each of the five races with a total of 32 points.

Former Fegentri rider Vinzenz Schiergen especially made the difference by winning two races in Germany and Norway.

Norway finished in second position of this 2018 edition, after winning the title the previous year.

Emilie Finckenhagen succeeded in Parx racing, was second in Oslo and generally showed a great regularity in her results, with a total of 23 points for Norway.

Alexis Lemer from France brought a winner to his country in Delaware Park; France is third with a total of 16 points.

Congratulations to all!
