About Fegentri

Organisation

FEGENTRI stands for Fédération Internationale des Gentlemen-Riders et des Cavalières (International Federation of Gentlemen and Lady Riders) and was founded in 1955 by a handful of enthusiastic amateur riders. The founding member countries were France, Germany, Italy, Sweden and Switzerland. Many nations have joined FEGENTRI since then and today the membership consists of 20 different countries.

International Activities of FEGENTRI

The main purpose of FEGENTRI is to promote international races for amateur riders. FEGENTRI organises two World Championships, one confined to gentlemen riders and the other to lady riders, comprising approximately 50 races in different countries around the world. Fegentri organizes as well a Championship over jumps for Lady riders and Gentlemen riders.

Competitors in Longines FEGENTRI World Championships

The best amateur riders of each member country of FEGENTRI qualify to participate in the World Championships and they all feel honoured and privileged to represent their respective countries. They are all “amateurs” and therefore do not receive any fee for riding in races. Amateur riders competing in FEGENTRI World Championship races come from varied backgrounds and have a full time profession. Among competitors one may find bankers, students, policemen and even a vicar! They are all united by a common passion for horseracing.

Members of FEGENTRI

All the member countries of FEGENTRI have their own active association which is responsible for promoting and co-ordinating races and safeguarding the interests of their amateur riders both at home and abroad. The officials of each amateur riders’ association represent their nation at the Annual General Assembly of FEGENTRI which is hosted by a different country each year and throughout the season they maintain a close link with the headquarters of FEGENTRI. Associate Members do not have their own amateur club but can organize Fegentri races which count towards the World Championship.

Nathalie Bélinguier,
 PATRON OF FEGENTRI

Fegentri has always innovated since 1955, date of its foundation. This year Fegentri has been able to create an International Pony Racing Championship, the Fegentri Junior. Moreover, the flat championship is now, along with the Fegentri Gentlemen's League Championship, open to mixed races. These changes match with the long tradition of innovation that Fegentri has always pursued since its foundation.

2023 has been highlighted by the success of the Club des Gentlemen Riders et Cavalières de France in the three World Championships, two on the flat and one over the jumps, which is always a remarkable achievement.

The spirit of Amateurism is still there thanks to the Amateur Clubs all around the world which maintain it, but also thanks to our fantastic riders who are totally devoted to Fegentri. They all contributed to make Fegentri so lively and active in 2023.

Elie Hennau,
PRESIDENT OF FEGENTRI

Dear Fegentri members, dear friends,

This season has represented an uphill path for the Fegentri, with challenges and innovation. It marked the first ever season of the Fegentri Junior, which revealed to be a success, and should only grow from now on. I would like to thank Cécile Madamet, President of the Fegentri Junior, who participated in all the steps of the championship creation and running throughout the season. The year 2023 also saw the arrival of two Fegentri members, Ireland and South Korea, as well as the implementation of mixed races, allowing the gentlemen riders to broaden their Fegentri racing program. Races have been organized again on the flat in Spain, Great Britain and Ireland, participating in the overall growth of the Fegentri calendar this year.

The Fegentri General Assembly was held for the first time in Morocco in May, thanks to my friend Omar Skalli who welcomed us sumptuously in Marrakech, for a weekend and a Gala night that the Fegentri guests will fondly remember, celebrated in an atmosphere of friendship and shared love for the amateur races.

The French Amateur Club is shining as this Fegentri season comes to an end, with three World Champion titles going to the French riders. Congratulations to Matthieu Havart for winning the Golden Spur on the flat and over the jumps, and to Margaux Collomb, winner of the Golden Spur in the Lady Riders' category. Well done also to the winning Italian Junior team, represented for this first year by Lavinia Picchi and Leonardo Mulas. And finally, I would like to thank the Fegentri Vice-Presidents Paul Von Schubert and Gérard de Chevigny, as well as the Fegentri Board members, for their commitment during this 2023 Fegentri season. I would also like to thank the Fegentri General Secretary Charlotte Rinckenbach for her dedication, creativity and for everything she brought to the Fegentri this year.

Charlotte Rinckenbach,
SECRETARY GENERAL OF FEGENTRI

OFFICIAL PARTNER
OF THE INTERNATIONAL FEDERATION
FOR AMATEUR JOCKEYS

Dear Fegentri members,

I am honoured to represent the Fegentri for the second year as Secretary General. This year has been a delightful serie of events and Fegentri races, all under the colors of friendship, elegance and sport excellence. The riders have all shown great displays of horsemanship and team spirit, and I would like to thank all amateur clubs for their support and help during the season.

The Fegentri is blooming, despite the challenges we are facing. I believe in its improvement and its growth, that we can make happen together. I would like to thank the President Elie Hennau for his wisdom and precious guidance, as well as all Board members for their thoughtful input this year. I would like to congratulate all champions and spurs, their titles are really well deserved.

I cannot wait for another wonderful Fegentri season with you all!

Gala & Dinner Awards Ceremony

The Awards Ceremony and Gala dinner was held in a sumptuous venue at Marrakech, Morocco, and organized by the SOREC. It was the occasion of a reunion for the Fegentri members, who got to explore the city, discover its equine culture and culinary delights, and witness the races at Marrakech racetrack on the Sunday.

Matthieu Havart (FRANCE) DOUBLE GOLDEN SPUR

Matthieu becomes World Champion on the Flat as well as on the jumps, which is a huge accomplishment. Matthieu showed great horsemanship and team spirit during the season, and was particularly successful in Italy on the Flat, winning in Pisa at the beginning of the season, as well as in Rome. He also rode to success over the jumps in Pardubice.

Physics and Chemistry teacher in his day to day life, Matthieu showed a true dedication to the Fegentri throughout the season.

Bravo Matthieu!

Alvaro Sainz (SPAIN)
VERMEIL SPUR

Alvaro made the Spanish colors shine throughout the Championship. After a slow start of the season, Alvaro showed impressive riding skills and a strong will to win, riding to victory in France, Great Britain and Norway. Farrier in his daily life, Alvaro took the most of every Fegentri step he got to experience, and created long lasting bonds with the other Fegentri riders.

Congratulations Alvaro!

Matyas Luka (CZECH REPUBLIC)
BRONZE SPUR

Matyas showed impressive riding skills in this Championship. Son of a Czech trainer, he has been riding since a young age. At only eighteen years old, he won the Fegentri race at Deauville during the Amateurs weekend, and got placed regularly. We wish him successful amateur riding years ahead of him. Round of applause for Matyas!

Margaux Collomb (FRANCE) GOLDEN SPUR

Margaux showed a great team spirit and outstanding horsemanship skills during this Championship. Always enthusiastic and caring, she participated in the development of a strong friendship bond within the group of Fegentri riders which will last for a lifetime. Great ambassador of the sport, Margaux signed four victories abroad during the season: in Bad Harzburg (Germany), Ostende (Belgium) and Istanbul (Turkey) where she won both races on the weekend.

Félicitations Margaux!

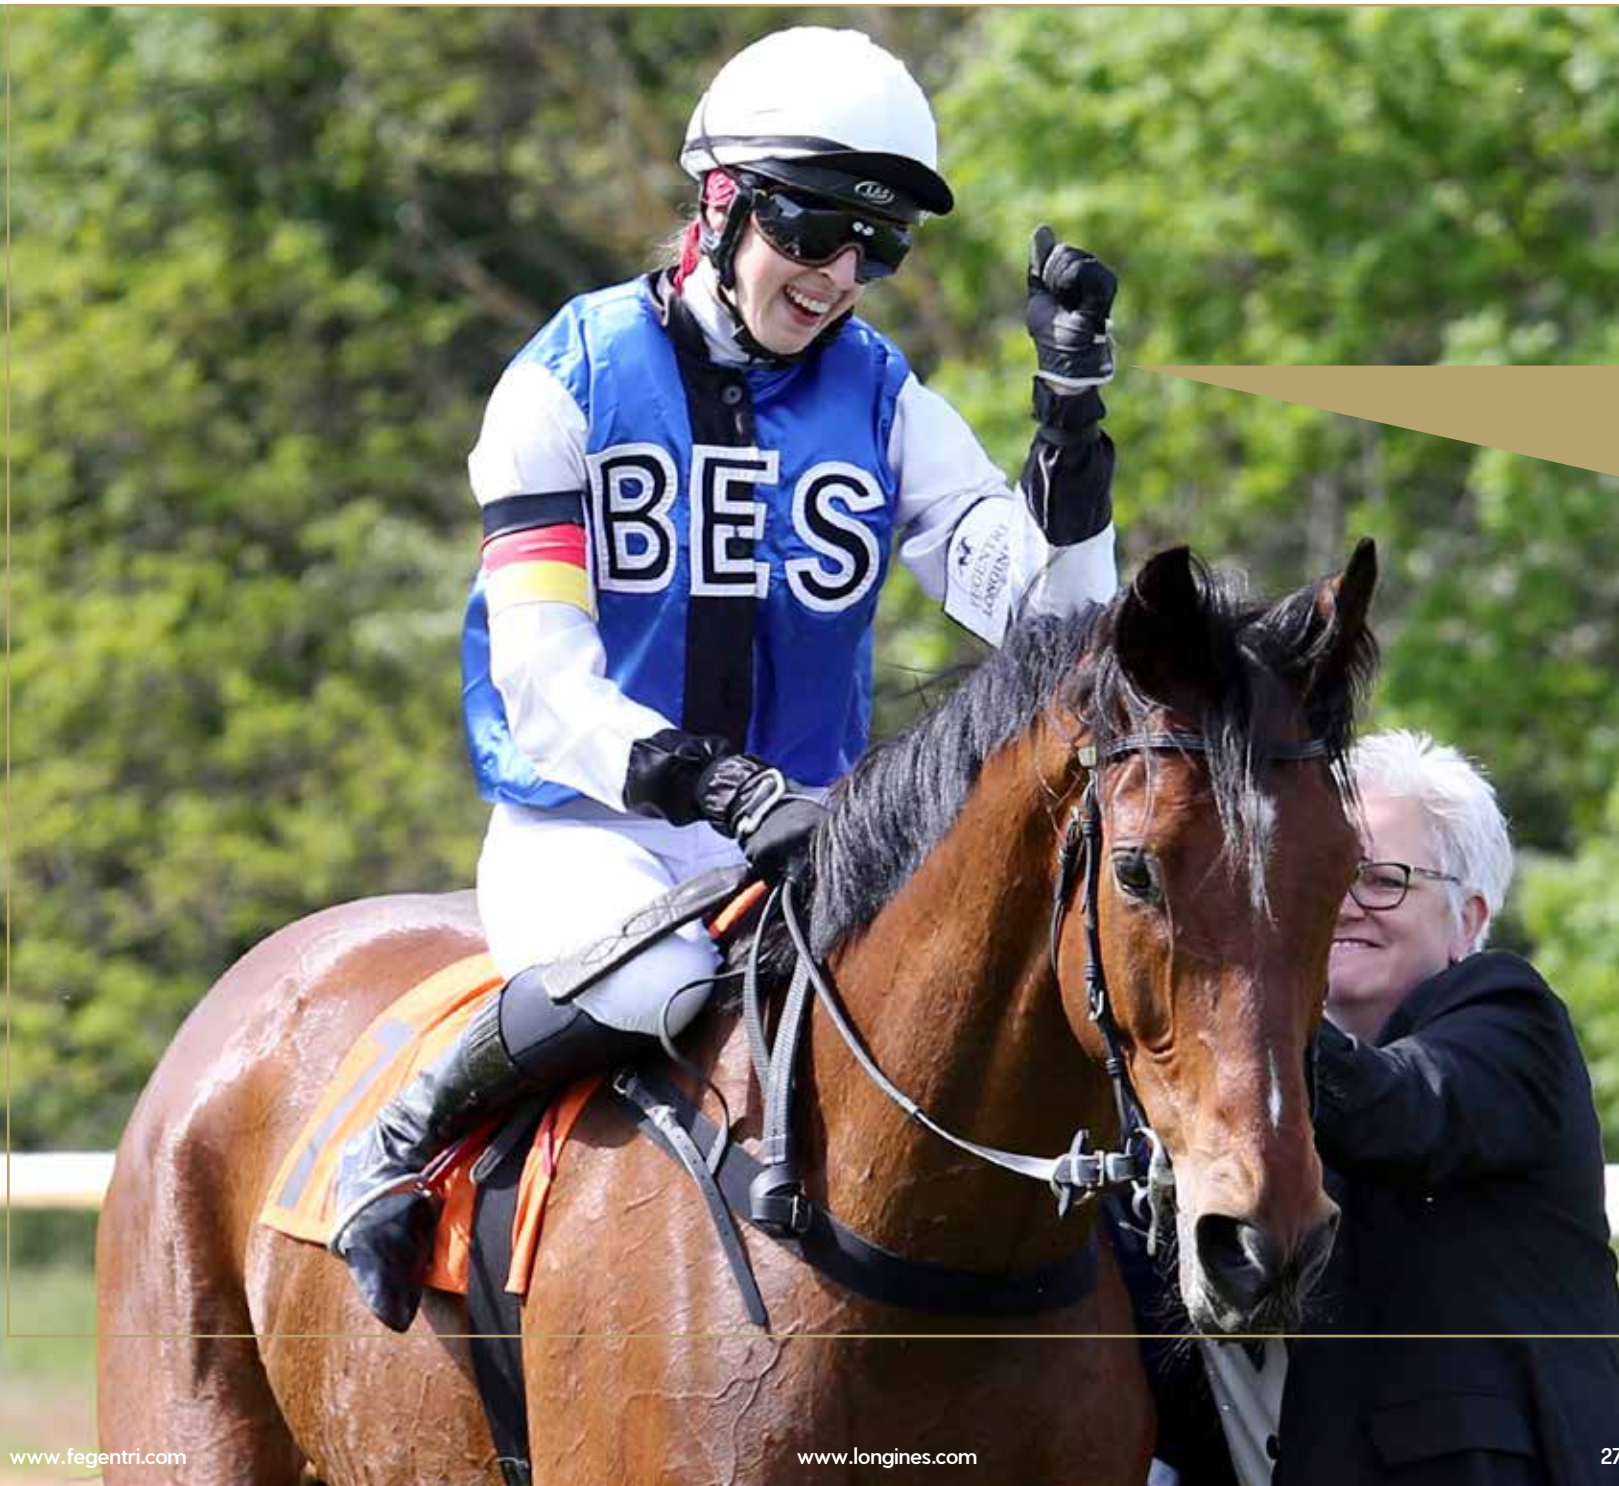

Ida Tandberg (NORWAY)
VERMEIL SPUR

Ida showed high commitment and dedication towards the Championship and the Fegentri team this year. Kindergarten teacher in her day-to-day life, Ida stayed close to the title of World Champion till the last race of the championship in Mauritius. She got placed regularly during the steps, and counts two Fegentri victories this year : one at Bro Park in Sweden, and one in Pisa in Italy. Ida also won the Champion amateur title in Norway this year.

Congratulations Ida!

Marie Gast (GERMANY) BRONZE SPUR

Marie has been a great team player throughout the Fegentri season, with a generous mindset towards her fellow lady riders. She showed impressive riding skills at the international tracks, and proudly carried the values of the Fegentri. She got to win two times during her Fegentri season, with the horse SLAY THE DRAGON in Magdebourg in her home country, months apart.

Well done Marie!

EQUESTRIAN SPORTS – A PASSION SHARED BY LONGINES AND THE AMATEURS OF THE FEGENTRI

Strongly committed to equestrian sports, Longines has always admired and supported athletes' and personalities' strong devotion and recognized contribution to these sports, including youngsters and amateurs who share the same passion as the watchmaker.

Therefore, the brand is really proud to be the Official Partner and Watch of the International Federation of Gentlemen and Lady Riders (FEGENTRI). It also lends its name to the rankings for riders taking part in the championships: the Longines World FEGENTRI Championship Rankings for Lady Riders and the Longines FEGENTRI Championship Rankings for Gentlemen Riders.

Every year, Longines participates to the Longines World FEGENTRI Championships prize ceremony held at the FEGENTRI Annual General Meeting and has the great honor to award the top three winners of, respectively, the Longines World FEGENTRI Championship for Lady Riders and the Longines World FEGENTRI Championship for Gentlemen Riders. The World Champions are also invited to visit the headquarters and the museum of the Swiss watchmaker in Saint-Imier, which is always a pleasant shared moment, particularly appreciated by the Champions who can contemplate the Longines World FEGENTRI Championship Trophy with their name engraved exposed in the museum.

While the amateurs are competing all around the world from February to December, Longines is always delighted to reward the winner of the Prix de la Reine Marie-Amélie Longines during one of June's most awaited horseraces, the Prix de Diane Longines, at the wonderful domain of Chantilly.

Along with this horserace and many others, the watch brand is associated as Official Partner, Timekeeper and Watch with international institutions and events in the disciplines of show jumping, eventing, endurance, driving and horseracing. The brand's passion for equestrian sports dates back to more than a century and is reflected in the common values it shares with them, such as Elegance, Performance and Tradition.

Discover Newmarket

Discover Newmarket is the official tourism service for Newmarket and the surrounding area. We run an all year round, impressive programme of guided tours and walks. Offering visitors a unique opportunity to go behind the scenes at racing's headquarters to see the equine stars at work and learn about the fascinating history, heritage and culture of this historic town. A series of public tours are available to book through our website or we can arrange private tours on a date that suits you. We work with groups of all sizes and can tailor make bespoke packages to suit all tastes and budgets. Visit our [Tours Page](#) for more information.

We can also advise about how to best spend your time whilst in Newmarket and provide information about the surrounding area including where to visit, where to stay and where to eat.
