

# FEGENTRI PRESS INFORMATION

Dear friends of FEGENTRI, in the name of our President and our Board I am delighted to introduce this first press release of FEGENTRI in 2024. We will be publishing photos and news of our global activities in a regular 4 weeks term during our season. We will highlight moments of competition, horsemanship and friendship that we love to create for our members and riders. Of course the updated ranking as well as little outtakes will be made visible to all our friends. Please note, that you can use all data, pictures and texts in your own channels when mentioning the source and giving credit.

Join us in our mission of connecting the world of horseracing around competition, horsemanship and friendship,

Yours
