About FEGENTRI

Organisation

FEGENTRI stands for Fédération Internationale des Gentlemen-Riders et des Cavalières (International Federation of Gentlemen and Lady Riders) and was founded in 1955 by a handful of enthusiastic amateur riders. The founding member countries were France, Germany, Italy, Sweden and Switzerland. Many nations have joined FEGENTRI since then and today the membership consists of 20 different countries.

International Activities of FEGENTRI

The main purpose of FEGENTRI is to promote international races for amateur riders. FEGENTRI organises two World Championships, one confined to gentlemen riders and the other to lady riders, comprising approximately 50 races in different countries around the world. Fegentri organizes as well a Championship over jumps for Lady riders and Gentlemen riders.

Competitors in FEGENTRI World Championships

The best amateur riders of each member country of FEGENTRI qualify to participate in the World Championships and they all feel honoured and privileged to represent their respective countries. They are all “amateurs” and therefore do not receive any fee for riding in races. Amateur riders competing in FEGENTRI World Championship races come from varied backgrounds and have a full time profession. Among competitors one may find bankers, students, policemen and even a vicar! They are all united by a common passion for horseracing.

Members of FEGENTRI

All the member countries of FEGENTRI have their own active association which is responsible for promoting and co-ordinating races and safeguarding the interests of their amateur riders both at home and abroad. The officials of each amateur riders’ association represent their nation at the Annual General Assembly of FEGENTRI which is hosted by a different country each year and throughout the season they maintain a close link with the headquarters of FEGENTRI. Associate Members do not have their own amateur club but can organize Fegentri races which count towards the World Championship.

FEGENTRI

Nathalie Bélinguier,
PATRON OF FEGENTRI

2024 has been a very active and successful year for FEGENTRI, with 34 races held across 15 different countries on the flat.

A key highlight was the return to the competition of both the USA for the Lady Riders and Spain for the Gentlemen-Riders. We were glad to see again amateur riders competing in the USA, with its spectacular races, as well as in Spain, a long-lasting member of FEGENTRI. The amateur riders have been extremely lucky to race at Laurel Park in the USA and at the magnificent La Zarzuela racecourse in Spain.

Year after year, FEGENTRI continues to show its ability to reinvent itself and maintain its dynamism. This is why the championship remains so attractive, not only to amateur riders but also to the countries that are part of the FEGENTRI.

Congratulations to this year's World Champions!

Paul von Schubert,
PRESIDENT OF FEGENTRI

Dear FEGENTRI members, dear friends,

As we look back on the season 2024, I am filled with gratitude and pride for the milestones we have achieved together as a community. It has been a year of growth, reinvention, and continued excellence in amateur horse racing.

I would like to take a moment to acknowledge the exceptional contributions of Elie Hennau, FEGENTRI past President, who has left FEGENTRI to take on a new role as CEO of France Galop. His leadership has been valuable, and we wish him all the best in this exciting new chapter. His legacy will always be a part of FEGENTRI.

This year also saw a remarkable General Assembly in Ireland, where we came together as a united family, strengthening our shared goals and vision for the future of amateur racing worldwide. It was a wonderful occasion, and I want to thank our Irish hosts and especially Paddy Mullins for their hospitality and commitment.

A highlight of the season was the return of races in the USA for the Lady Riders, and Spain for the Gentlemen-Riders, two countries with rich histories in the world of horse racing. The Club des Gentlemen-Riders et des Cavalières also organized a sumptuous FEGENTRI themed gala in Deauville. Additionally, we were proud to witness the participation of a local rider from Morocco during the prestigious racing weekend in

Casablanca, marking an important step in the country's growth within the amateur racing world.

I would also like to congratulate this year's World Champions: Jonathan Plassard, Elin Hedman, Elliot Öhgren, and the FEGENTRI Junior winning team including Linnea Östlund, Aline Jigrud, and Novalie Andersson. Your dedication and excellence on the track have set an example for all of us.

Our member countries continue to be the foundation of FEGENTRI's success. Their great support ensures that we can keep pushing the boundaries of amateur racing and a continuity and growth of all championships, and I am truly grateful for their involvement. We are also committed to supporting individual amateurs, helping to nurture new talents and elevate the sport for future generations.

This year, the Pony Series has once again proven to be a vital part of our racing heritage, providing a strong foundation for the sport and showcasing the future talented amateur riders; this Championship is on its way to become an essential part of FEGENTRI. The FEGENTRI Gentlemen's League also continues to shine on renown racetracks, despite a smaller but highly qualitative selection of steps.

As we bid farewell last year to our previous sponsor, Longines, we are reminded of the need for FEGENTRI to constantly evolve and reinvent itself. The landscape of amateur racing continues to change, and we must be flexible and innovative to stay ahead. This process of reinvention is essential for our continued success, and I look forward to the exciting opportunities that lie ahead.

At FEGENTRI, we hold dear the values that have always defined us: elegance, fairness, competition, camaraderie, and excellence in amateur horse racing. These principles guide everything we do, and they are at the heart of our mission to develop amateur racing worldwide. Through these efforts, we are creating a

strong network not only within the FEGENTRI family but also beyond, bringing together people and organizations who share our passion for the sport.

In an era in which we witness a trend of local focus of the countries, we need institutions like FEGENTRI to bring a global sport to a truly global perspective; besides all industrial structures we are able to show the ultimate attitude towards the horse and our passion. As we move forward into the future, I am confident that the strength of our community and the support of our member countries will allow us to continue growing and thriving. Together, we will ensure that international amateur horse racing remains a vibrant and exciting sport for years to come.

Thank you all for your continued commitment, and I look forward to the journey ahead.

Sincerely,

Paul von Schubert
President, FEGENTRI

Charlotte Rinckenbach,
SECRETARY GENERAL OF FEGENTRI

Dear FEGENTRI Members,

I am delighted to be back as Secretary General for another year. It has been amazing to see FEGENTRI grow, and we are excited to have the FEGENTRI Junior series as part of our future. It is all about bringing in new, young talent and giving them a platform to shine, which is so important for the long-term success of our sport.

This season has been full of great races and wonderful moments, all centred around the values of friendship, elegance, and excellence in sport. The riders have shown incredible skill, and I am so proud of everything they have accomplished. A huge thank you goes out to all the national amateur clubs for their continuous support – we could not do this without you. Your dedication is what keeps FEGENTRI strong.

Despite the challenges we face, FEGENTRI is growing, and I really believe in our ability to keep improving together. I would like to say a special thanks to President Paul von Schubert for his guidance in this first year of his presidency, and to the Board members for their impactful contributions. Congratulations to all the Champions and Spurs this year – you truly deserve it!

I am so excited to continue this journey with all of you, and I cannot wait for another fantastic season ahead!

Yours sincerely,

Charlotte Rinckenbach

Gala & Dinner Awards Ceremony

The General Assembly Meeting, along with the prestigious FEGENTRI Awards Ceremony and Gala Dinner, took place in the stunningly elegant Lyrath Hotel, nestled in the heart of Kilkenny, Ireland. This remarkable event was expertly organized in collaboration with Patrick Mullins, the President of the Qualified Riders' Association. It served as a special occasion for the members of FEGENTRI to come together, reconnect, and celebrate their shared passion for the sport.

The weekend began with a delightful dinner on Friday night, offering a perfect opportunity for attendees to mingle and enjoy each other's company in a relaxed atmosphere. The excitement then continued throughout the weekend, starting with an insightful morning of training at the renowned Willie

Mullins' yard. Participants were able to witness firsthand the dedication and skill involved in preparing top-tier racehorses.

The attendees experienced the thrill of watching competitive jump races at the renowned Gowran Park racetrack on the Saturday and got to visit the prestigious Ballylinch Stud on the Sunday. This final excursion provided a fascinating insight into one of the world's most respected breeding operations.

The highlight of the weekend came with the glamorous Gala Dinner on Saturday night, where guests enjoyed a delicious meal in a grand setting, celebrating both the riders' achievements of the past year and the strong bonds that unite FEGENTRI members. The entire event was a perfect blend of camaraderie, competition, and a celebration of the rich history and tradition of amateur racing.
