About FEGENTRI

Organisation

FEGENTRI stands for Fédération Internationale des Gentlemen-Riders et des Cavalières (International Federation of Gentlemen and Lady Riders) and was founded in 1955 by a handful of enthusiastic amateur riders. The founding member countries were France, Germany, Italy, Sweden and Switzerland. Many nations have joined FEGENTRI since then and today the membership consists of 20 different countries.

International Activities of FEGENTRI

The main purpose of FEGENTRI is to promote international races for amateur riders. FEGENTRI organises two World Championships, one confined to gentlemen riders and the other to lady riders, comprising approximately 50 races in different countries around the world. Fegentri organizes as well a Championship over jumps for Lady riders and Gentlemen riders.

Competitors in FEGENTRI World Championships

The best amateur riders of each member country of FEGENTRI qualify to participate in the World Championships and they all feel honoured and privileged to represent their respective countries. They are all “amateurs” and therefore do not receive any fee for riding in races. Amateur riders competing in FEGENTRI World Championship races come from varied backgrounds and have a full time profession. Among competitors one may find bankers, students, policemen and even a vicar! They are all united by a common passion for horseracing.

Members of FEGENTRI

All the member countries of FEGENTRI have their own active association which is responsible for promoting and co-ordinating races and safeguarding the interests of their amateur riders both at home and abroad. The officials of each amateur riders’ association represent their nation at the Annual General Assembly of FEGENTRI which is hosted by a different country each year and throughout the season they maintain a close link with the headquarters of FEGENTRI. Associate Members do not have their own amateur club but can organize Fegentri races which count towards the World Championship.

FEGENTRI

1955 – 2025
70 years of World Championships

Nathalie Bélinguier,
PATRON OF FEGENTRI

This year, in 2025, we celebrate FEGENTRI's 70th anniversary.

From the very beginning, FEGENTRI demonstrated an exceptional openness of mind, embracing international amateur racing and showing remarkable foresight. It has given young amateurs the opportunity to discover racing in many countries.

Lady Riders were among the first women to compete in racing.

If FEGENTRI has been ahead of its time, it is because it was built by true enthusiasts, driven by a powerful motivation: a love of racing and a desire to ride in competition.

For ten years, I experienced this passion intensely through my role as President of FEGENTRI, witnessing firsthand the commitment, sacrifices, and personal efforts made by the riders to pursue their sport at the highest amateur level. Their dedication, perseverance, and passion deserve the utmost respect.

It is remarkable that FEGENTRI has continued to thrive since 1955. Moreover, its spirit has never changed. The championship has preserved its soul, remaining true to the values that have shaped its history and success.

May the years to come live up to its brilliant history.

Happy Birthday, FEGENTRI!

N Bélinguier

70 years of World Championships

Paul von Schubert,
PRESIDENT OF FEGENTRI

Dear FEGENTRI members, dear friends,

Looking back on the 2025 season, I am filled with gratitude and pride for everything we have accomplished together. This Jubilee year has been exceptional in many ways: fifty races on our calendar, strong support from all our member nations, and a remarkable rise in FEGENTRI Individual Memberships (FIMs), reflecting the strong support of our community.

Our General Assembly in Düsseldorf stood out as a key gathering, bringing together riders, officials, and friends from across the globe. It was also a personal pleasure for me to continue serving as President following the election earlier this year, as we build together on the solid foundations of our organisation.

Across all our championships—Ladies, Gentlemen, the FEGENTRI Gentlemen's League, and Juniors—the level of commitment and sportsmanship was inspiring. This year's Spur winners deserve recognition. Janina Boysen of Germany and Gonzalo Pineda Carmena of Spain earned the Golden Spurs after seasons marked by dedication, consistency, and international success. The Vermeil Spurs were claimed by Hungary's Judit Dickinson and Great Britain's Matt Brown, both of whom showcased outstanding talent and determination. Sweden's Emelie Gustavsson and France's Romain Lemièrè completed the podium with the Bronze Spurs, rewarding their strong performances and excellent

representation of their countries. Their achievements capture the very best of FEGENTRI and reflect the spirit that drives our community forward.

As our sport continues to evolve, so must FEGENTRI. The past years have shown the importance of innovation, flexibility, and openness to change. I am confident that, together, we will continue to strengthen our network, nurture new generations of amateur riders, and defend the values that have guided us since the beginning: elegance, fairness, camaraderie, and excellence.

In a world increasingly focused on local perspectives, FEGENTRI plays a crucial role in maintaining an international vision of horse racing. Our shared passion unites us across borders, and I believe that this unity will continue to carry us forward.

Thank you all for your commitment, your enthusiasm, and your belief in what we are building together. I look forward to continuing this journey with you in the seasons ahead.

Sincerely,

Charlotte Rinckenbach,
GENERAL SECRETARY OF FEGENTRI

Dear FEGENTRI Members,

I am delighted to continue my role as Secretary General for a fifth year and to witness how FEGENTRI continues to grow, evolve, and adapt. This past season was once again filled with wonderful moments, all rooted in our shared values of friendship, elegance, and excellence in sport, made possible by the remarkable support of our member countries and the outstanding races and events organized across the globe.

I would like to extend my sincere thanks to President Paul von Schubert and the Board members for their wisdom, guidance, and vision, and to warmly congratulate all the Champions and Spurs this year, who really deserve this recognition. I am thrilled to continue this journey with all of you and look forward to another fantastic season ahead.

Yours sincerely,

Charlotte Rinckenbach

Gala & Dinner

FEGENTRI 69th General Assembly,
April 11th – 13th, 2025, Düsseldorf, Germany

FEGENTRI proudly celebrated a major milestone in 2025: the 70th anniversary of its foundation in 1955 in St Moritz, Switzerland. To mark this exceptional year, the General Assembly and Annual Gala were held in Düsseldorf, Germany, from April 11th to 13th, 2025. Delegates from 13 member countries gathered to discuss FEGENTRI's future and to strengthen the bonds within our international community.

The weekend opened on Friday evening with a warm and convivial dinner in a local brewery, offering delegates, riders, and friends of FEGENTRI the chance to reconnect in a relaxed atmosphere. On Saturday morning, guests visited Peter Schiergen's yard for an exclusive behind-the-scenes tour. This visit

was followed by the General Assembly later in the morning, where important decisions were made concerning the organisation's direction. Paul von Schubert was re-elected as President of FEGENTRI, and newly elected Board members and Financial Controller also began their mandates for the upcoming season.

The highlight of the weekend was the Annual Gala Dinner on Saturday evening; an elegant occasion to celebrate FEGENTRI's history and achievements and to enjoy an evening of celebrations. The festivities concluded on Sunday with a superb day of racing at Düsseldorf racetrack, where a FEGENTRI World Championship for Lady Riders' race and a FEGENTRI Junior race were held.

Gonzalo Pineda Carmena (SPAIN) GOLDEN SPUR

This year, Gonzalo has stood out through his constant dedication and impressive drive to do his very best. His hard work was rewarded with the title of World Champion on the Flat. He showed great commitment by taking part in every event he was invited to, always bringing excellent team spirit, a positive attitude, and a genuine curiosity for everything around him. His victories in Vichy, France, and San Sebastián, Spain, were among the highlights of his season. Gonzalo is a deserving World Champion, and this marks his second World title – the first won ten years ago.

¡Felicidades Gonzalo!

Matt Brown (GB) VERMEIL SPUR

Matt Brown has impressed throughout the season, showcasing his remarkable riding abilities and proudly representing Great Britain at every step. He opened the year with a strong victory in Pisa, on Ippodromo San Rossore in April, winning the very first race of the season on a horse owned by the President of AGRI. He continued his success with another outstanding win during the prestigious international weekend in Prague. Matt's talent, dedication, and consistency make him a worthy recipient of the Vermeil Spur.

Congratulations, Matt!

Romain Lemière (FRANCE) BRONZE SPUR

Romain has carried the French colours with pride, eagerness, and determination throughout the Championship. Although he did not secure a win on the Flat, his consistent placings earned him an excellent third place overall with 41 points, only six points behind the Vermeil Spur.

He also competed in the FEGENTRI Gentlemen's League Championship over jumps this season, where he achieved a brilliant victory on the spectacular steeplechase course of Bad Harzburg in Germany, and finished second in the overall rankings.

Romain brought great energy all year long and truly embodies the values of FEGENTRI.

Bravo, Romain!

Janina Boysen (GERMANY) GOLDEN SPUR

Janina has once again shown her commitment to giving her very best, completing her second consecutive season with FEGENTRI. A talented rider with strong horsemanship, she proved her abilities by securing five impressive victories abroad. She won in Düsseldorf during the General Assembly weekend in the first race of the season for the lady riders and then achieved a remarkable double at Bro Park in Sweden on the same day. She also added victories in Ostende on the Belgian coast, and Budapest.

Janina's dedication, consistency, and international success make her a deserving recipient of the Golden Spur.

Congratulations, Janina!

Judit Dickinson (HUNGARY) VERMEIL SPUR

Judit Dickinson is a dedicated team player and a long-time member of FEGENTRI. This season, she achieved her first FEGENTRI victories after many years of competing, securing four impressive wins: in Karlovy Vary, Czech Republic; Magdeburg, Germany; Most, Czech Republic; and concluding the season with a win in Pisa at Ippodromo San Rossore.

Her remarkable performance this year also earned her the title of Hungarian Amateur Champion. Judit's determination and consistency have made this year a memorable one in her long FEGENTRI career.

Congrats, Judit!

©marcruehl.com

Emelie Gustavsson (SWEDEN) BRONZE SPUR

Emelie Gustavsson has demonstrated excellent riding skills and great determination throughout the season. She earned numerous second places, including in Düsseldorf, twice at Bro Park in her home country on the same day, Clairefontaine in France, Hamburg in Germany and Pisa in the final race of the season. She also secured a well-deserved victory in Cologne aboard ARTISTIC MISSION.

Emelie's outstanding performances helped her claim the Swedish National Champion title for the second consecutive year, as well as the local championship at Jägersro, making this season a remarkable one for her.

Well done, Emelie!
